ABOUT ISABELLE

As a brand builder, business performance catalyst, and one of the Best Selling Authors of the business and marketing book titled, **The Next Big Thing: Top Trends From Today's Leading Experts to Help You Dominate the New Economy**; Isabelle's sole purpose is to empower change and growth. "Momentum Generator" is her middle name and she has a relentless passion for helping entrepreneurs and small business owners raise the bar and expand their comfort zone to create outstanding brand experiences.

Isabelle is the Co-Founder of LeapZone Strategies and host of LeapTV.com. She and her partner built, operated and sold their award-winning creative firm, took a year off to travel the globe, and came back stronger than ever to form LeapZone Strategies. Together, they created the 10 Rules for Massive Success, and completely readjusted their business model to fit today's digital world.

Isabelle is a thought-provoking speaker and captivating storyteller who has a truly authentic connection with people, and will share how she has triumphed and mastered the art of adapting to changing times.
