Brand Positioning Strategist & Business Growth Catalyst

~ In Any Economy ~

Voted one of North America's Top Business Influencers.

Best speaker we've ever worked with. Isabelle is dynamic, invigorating, and impactful.

Roger Killen - TEDx Stanley Park

As one of the most inspirational branding, marketing and customer experience keynote speakers, Isabelle is a 'no-nonsense' dynamo, born to catapult passionate entrepreneurs and thought leaders to build businesses and brands designed to make life better.

She is one of North America's Top Business Influencers, bestselling author of the marketing and business book: *The Next Big Thing: Top Trends From Today's Leading Experts to Help You Dominate the New Economy*, two-time TEDx speaker with over 3.8 Million views, and a TV show host. Isabelle's sole purpose is to help entrepreneurs and business leaders become and remain The First, The Best or The Only.

She co-founded her first business a few years after her teens, and quickly became one of the most awarded branding firms in Canada including Canada's Best SME Entrepreneur Of The Year. She brings over 25 years of branding, marketing and customer experience expertise and has helped thousands of business owners, thought leaders, as well as some influential and iconic brands like A&W, Robeez Footwear, Earls Restaurants, IMAX Corporation, and HSBC Investments just to name a few. Isabelle teaches how to grow businesses and brands that are designed to thrive in any economy by becoming and remaining - The First, The Best or The Only.
